Mr. Chris DeMarco

Division of Administrative Rules

Dear Chris:

Pursuant to the Department of State Request for Proposal – 18-ADM-11 for production and distribution of the *Official Compilation of Codes, Rules and Regulations of the State of New York (NYCRR)*, West is requesting consent from the Department and the Comptroller to increase prices for the NYCRR product effective January 1, 2025.

Our current contract allows for pricing to be adjusted annually by the lower of either the percent change for the United States Department of Labor, Bureau of Labor Statistics Producer Price Index for Publication, printed matter and printing material to the corresponding Producer Price Index (PPI) for the most recent final month, or 2.0 percent. The ratio of the April 2023 PPI to the corresponding PPI of April 2024 (the most recent annual representation of finalized PPI numbers) increased from 142.389 to 145.336, an overall increase of 2.1% (see attached). Therefore, West is requesting approval to increase prices by a 2.0% margin. Enclosed herewith is a list of adjusted prices reflecting the increase that West is requesting at this time.

Thank you for considering this price increase request. We look forward to hearing from you in the near future regarding this matter.

Sincerely,
